

Greetings -

I have exciting news to share with you during this season of giving!

Neighborhood library champion, Cole Harrison Insurance, is urging our community to be generous during our Holiday Giving campaign. **Cole Harrison will give \$2,500 to Kennebunk Free Library once our donations reach \$10,000!** I know you are as excited about this opportunity as I am, and want to do your part to unlock this amazing \$2,500 Challenge Gift.

Your donation makes a real difference in the lives of our community members by providing access to read, listen, watch, create, learn, communicate, and connect through our collections, our programs, our services, and our care.

Want to see Your Support in action? Check out this heartfelt message from patron and mom, Marianne Connelly:

“We started utilizing the library's online programming as a way to help with feeling isolated during Covid, and it has since then become such a centerpiece of our family life. We have gotten to know so many families in the community through the children's events, and it has become one of my kids' favorite places to spend time. They are always greeted by the friendly staff that has taken the time to get to know them and remember them by name, and they have developed a true love of reading that is so exciting to watch. We are so lucky to have such a wonderful resource in our town. There is always an event going on, or a craft to pick up that makes our library trips extra special.”
