FREE LIBRARY**

## Woodland Creatures

Students in kindergarten and older can create their own woodland creature on **Tues., April 21 at 2 PM.**

What are woodland creatures you ask? Dwarves, elves, fairies, pixies and gnomes of course! The Faerie Festival is quickly approaching; perhaps you would like to make a woodland creature to inhabit your fairy house or gnome home!

Preregistration is required. We will use hot glue guns, so children younger than 8 need a caregiver to help them. Please call 985-2173 x-5 or [email](#) us to pre-register.

## Happy Spring!

Spring birds are chirping away (shameless plug: check out our bird & bird house books and DVDs) bringing with them National Library Week and National Poetry month, both of which we will celebrate in style!

## Keep an Eye Out For KFL's Annual Appeal Letter!

You may not realize that though we are a private, non-profit library, we are strongly supported by the Town of Kennebunk for nearly 75% of our operating budget. KFL raises the remaining 25% through various contributions and fundraisers such as the Road Race, Mini-Golf, Silent Art Auction and our Annual Appeal. We penny-pinch as much as we are able, but raising \$116,000 is no small challenge. Will you help your library reach our Annual Appeal goal of \$63,000? Thank you in advance for your support.

## Maine Poet Laureate to Speak at KFL

"[He is] a master craftsman with a remarkable ear." - Maxine Kumin

Wesley McNair, the fourth Maine Poet Laureate, will read from his newest book, ***The Lost Child*** on **Friday, April 24th at 2 PM.** McNair has published eight books of poetry. The author of three volumes of ***nonfiction***, he has also edited six ***anthologies*** of Maine writing, including four that feature Maine poetry.

Few authors are as well versed in the history of Maine poetry or the work of Maine's contemporary poets as Wesley McNair. In addition to writing poetry, McNair writes on the craft of poetry in his many personal and critical essays. McNair's essays on the power of place have also earned him high regard for his prose skills.

No reservations are taken--tax help sessions are on a first-come, first-served basis. Sign up begins at 9 AM. For more information please call the Library at 985-2173 or [email](#) us.

- Choose to donate \_\$5 \_\$10 \_\$25 or more.
- Maine taxpayers using the I-File system will also see the Maine Public Library Fund on the Schedule CP voluntary contributions page.

### In Praise of Libraries

The March 2015 Rotarian magazine published an excellent article about Libraries. You can read about it [here](#). It is good to get national attention about the successful role of Libraries in our communities.

Each year in April, libraries across the US celebrate Libraries--their own Library as well an appreciation of what public libraries offer. KFL is no exception. During the week of **April 13 - April 18**, we will observe National Library Week with a food drive (which will also help reduce your fines) and drawings for our famous "Book Bundles".

With each visit--even daily--you may take a free chance to win a stack of four or so theme-related books. Topics may range from mysteries to crafts to popular authors, and there will be bundles for adults, teens and children.

We will also conduct a food drive for the local food pantry. Bring in an item or two of non-perishable food, and if you have fines, we will cut any existing fines by half when you pay the other half. This is a great way to help your community AND reduce your fines!

For more info, please call 207-985-2173 or [email](#) us.

## First a Knitting Group--

### Now We're Loaning Knitting Needles!

Krissy Birthisel leads our weekly group of knitters (and other handiwork) each Tuesday at 11 AM in the Reference Room. Beginning in November 2013, this informal group now averages 10 participants a week and is open to all. Krissy and her knitters are so passionate about knitting that they have donated their extra knitting needles and spare yarn, which we are now lending to our patrons! We're pretty sure that we're the only public library in Maine that loans needles--start your next (or first) project with KFL needles and one of our many knitting books!

childhood programs and services that meet those needs. This year's theme is "Celebrating Our Youngest Learners".

The Beyond Tots Adventure Club artwork is based on some favorite books from the KFL's collection, using stories as a springboard for art projects, songs, games, and activities to encourage literacy and for just plain fun!

KFL is pleased and honored to be able to present these very talented young artists.

## The 18th Edition Library Road Race

It's not too early to begin training for the Library's 18th Edition Run/Walk event on

**Friday, July 10th at 6 PM.**

This family-friendly event includes live music by the ***Kennebunk River Band***, free dinner for registrants (small fee for others), our fabulous goodie bags & T-shirts for the first 250 people who register, our beer & wine garden and our famous raffle

items.

## The Fairies are Coming!

The 18<sup>th</sup> Edition

It's that time of year again to welcome the fairies back into our garden! The snowbanks are receding, and the downed sticks, bark and dried seedpods are beginning to show. As you clean your yard, set some of these materials aside and use them to build fairy houses or gnome homes with your children. Or maybe you prefer to use shells and seaglass gathered at the beach?

To prepare for the Faerie Festival, we will start accepting fairy houses for display starting April 21. To be included in judging, please bring in houses by Wed., April 29. Houses should be constructed of all natural materials, with a base no larger than 14" x 14," and a height no taller than 30". Remember, faeries are allergic to plastic! Although glue is allowed, try string, thread or raffia to connect pieces, or make glue using flour and water. If you need building materials, stop by the Children's Room.

Faerie Houses will be on display until May 16. We are always amazed by the details children include. Be sure to stop by to see how creative they are!

This year's Faerie Festival will be **Sat., May 2 from 9:30-11 AM**. Crafts, games and faerie fun! Gnomes welcome!

Please call 207-985-2173 or [email](#) us if you can lend a hand.
