Join us Tuesday, August 6 at 6:00 p.m. for a Fern Terrarium Workshop! At our last workshop, we worked closely with succulents and discussed how an open terrarium provided a livable environment. Now, we are going to be working with ferns and seeing how the environments of each plant differ. We ask that attendees bring their own *enclosed* vessel, but all other supplies will be provided. Space is limited, so please call or e-mail the library to register.

## Nonfiction Book Group - August 12

Join us on Monday, August 12 at 6:30 p.m. to discuss *Educated* by Tara Westover.

A girl claws her way out of a claustrophobic, violent fundamentalist family into an elite academic career in this searing debut memoir. Westover recounts her upbringing with six siblings on an Idaho farm dominated by her father Gene (a pseudonym), a devout Mormon with a paranoid streak who tried to live off the grid, kept four children (including the author) out of school, refused to countenance doctors (Westover's mother, Faye, was an unlicensed midwife who sold homeopathic medicines), and stockpiled supplies and guns for the end-time. Westover was forced to work from the age of 11 in Gene's scrap and construction businesses under incredibly dangerous conditions; the grisly narrative includes lost fingers, several cases of severe brain trauma, and two horrible burns that Faye treated with herbal remedies. Thickening the dysfunction was the author's bullying brother, who physically brutalized her for wearing makeup and other immodest behaviors. When she finally escaped the toxic atmosphere of dogma, suspicion, and patriarchy to attend college and then grad school at Cambridge, her identity crisis precipitated a heartbreaking rupture. Westover's vivid prose makes this saga of the pressures of conformity and self-assertion that warp a family seem both terrifying and ordinary. (Publishers Weekly, vol 264, issue 50)

## The Camino de Santiago - August 13

Joan and Sam Hull will be at KFL at 6:00 p.m on Tuesday, August 13 with an hour-long presentation for people who have an interest in the Camino de Santiago. They will describe the rich history and culture of "The Way," offer suggestions based on their own experience on how to prepare for walking for two months carrying nothing more than what's in your small backpack, what equipment and clothing are needed and suggestions about eating, sleeping and the pilgrimage experience.

Joan and Sam, residents of Arundel since 2007, have been "perigrinos" numerous times on the Camino in Spain as well as the Via di Francesco ("Way of St. Francis") in Italy. They have completed several long-distance walks in England, including the

Cotswold Way and the South Downs Way and next year plan to walk the Pilgrims Way from London to Canterbury and after crossing the Bay of Biscay, continue in Spain on the Camino Ingles to Santiago.

Whether you're a Camino veteran, perhaps thinking about doing your own Camino or just interested in learning more about this unique cultural experience, come and join us!

## Authors Gerry Boyle and Kate Flora - August 19

KFL will host Maine mystery writers Gerry Boyle and Kate Flora on Monday, August 19 at 6:00, for an evening of crime and conversation. The event is cosponsored by Kennebunk's Mainely Murders Bookstore. Books will be available for purchase and signing at the event as well as in advance at Mainely Murders Bookstore.

The writers, longtime friends and mystery-writing colleagues, both have recent additions to their Maine series.

*Random Act* is the 12th in Boyle's popular series featuring Jack McMorrow - ex-*New York Times* reporter-turned- small town Maine newspaper editor-turned-freelance writer. Boyle began his writing career in newspapers, in what he calls "the best training ground ever." After graduating from Colby College - and short-term jobs from roofer to manuscript reader at a New York City publishing house - his first reporting job was at the weekly *Rumford Falls Times*, later moving on to the *Waterville Morning Sentinel*. It was on the news beat that he began collecting material for his first McMorrow novel, *Deadline*, published in 1993. He hasn't stopped writing about Maine (or living here) since. Indeed, reviewers have already called *Random Act* "his best."

Lawyer- turned-writer and a former Maine Assistant Attorney General, Flora is the owner of two series. Her newest is, *A Child Shall Lead*, the sixth in a series with Portland Police Department detective-sergeant Joe Burgess. Her earlier series, now up to nine books, features Thea Kozak, an educational consultant. Equally at home with nonfiction, Flora is the author of *Finding Amy: A True Story of Murder in Maine* (with Joseph K. Loughton); *Death Dealer: How Cops and Cadaver Dogs Brought a Killer to Justice*; *A Good Man with a Dog* (with Roger Guay); and *Shots Fired: The Misconceptions, Misunderstandings, and Myths About Police Shootings* (with Joseph K. Loughlin).

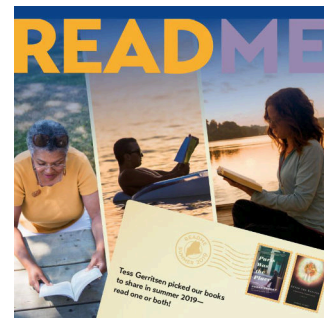

## Read ME - August 20

This summer, Kennebunk Free Library patrons will have the opportunity to be part of a statewide community read. Each year, the Maine Humanities Council asks a popular Maine author to recommend two books. This year, author Tess Gerritsen has selected *Paris was the Place* by Susan Conley and *After the Eclipse* by Sarah Perry.

Join KFL staff to discuss *After the Eclipse* on Tuesday, August 20 at 6:00 p.m. Call or stop by the library to reserve your copies of the books.

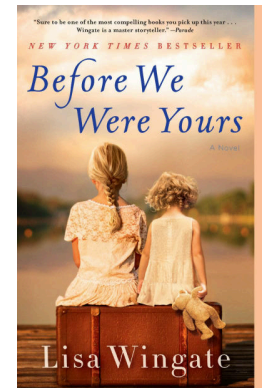

You can also join the conversation with people around the state. Maine Humanities Council is hosting a Read ME Facebook group that all are invited to join. The discussion series will wrap up with an episode of Maine Calling broadcast live from Bangor Public Library.

## Adult Book Discussion - August 27

Join us on Tuesday, August 27 at 1:00 p.m. to discuss *Before We Were Yours* by Lisa Wingate.

Christy and Carol Award-winning Wingate (*The Story Keeper*; *The Sea Glass Sisters*) weaves a complex tale about two families, two generations apart, linked by an injustice, based on a notorious true-life scandal. The story begins in 1939 when Rill Foss and her four younger siblings, who had been happily living on their parents' shantyboat on the Mississippi, are seized by strangers and taken to a Memphis orphanage. In present-day South Carolina, the Staffords, a wealthy and prestigious family deeply immersed in the political realm, takes center stage when Avery returns home to help her father recuperate from a health crisis. There she experiences a chance encounter with a resident at the nursing home, which leads to her investigating her family's history. As secrets are exposed, the question is raised: Are some things better left hidden in the past, or is it best to have everything out in the open? (*Library Journal*, vol 142, issue 6, p80)

## Ukulele Group - August 28

(Of course, if you're playing alone, you keep the whole half.) The other half goes to purchasing items for the library's collection. Join us on Wednesday, August 28 at 6:30 p.m.

## Speers Gallery

### August Artist: Barbara Berry

The Kennebunk Free Library announces its August 2019 exhibition, "Meanderings", the acrylic paintings on canvas and birch created by Barbara Berry. The public is invited to view the exhibit during regular library hours when the gallery is not in use for library programs.

"With a deep love of the natural world, I'm

drawn to tranquil spaces and certain combinations of light. I also enjoy the challenge of painting interesting architecture and informal portraiture, especially children and special pets. I've always loved to draw and started painting about three years ago. I couldn't be happier than when I have a paintbrush in my hand.

I'm a member of Maine Women in the Arts and an associate member of the Art Guild of the Kennebunks. For many years I taught music at Berwick Academy as well as served as music director in area churches. I presently teach and direct a choral class at YCCC in Wells and continue to teach private piano."

*The public is invited to an artist's reception on Tuesday, August 6 from 5:30 to 7:30 p.m.* Kennebunk Free Library is pleased to display the works of this talented artist.

## A Message from the Library Director

Another year, another one for the books! Kennebunk Free Library's 22<sup>nd</sup> Edition Road Race, held on Friday, July 12, was a great success with 522 participants. The weather held out for us, the conditions on Dane Street were runner-friendly, and the music played on. KFL receives municipal funding, but as a nonprofit organization we still need to engage in significant fundraising. Each year we need to raise approximately \$200,000 to meet our budget mark. The Road Race is one of our major events that help us accomplish this. None of this would be possible without the support of our community members, local business sponsors, and prize providers. Thank you for your ongoing support that keeps us a thriving and valuable resource for the community.

We'd also like to take this opportunity to thank you for your generous contributions to our Annual Appeal fundraiser which concluded on June 30. This year you raised over \$68,000 for KFL. For a list of this year's donors, [click here](#).

Thank you,

Michelle K. Conners, Director
