"One of the most important works of twentieth-century American literature, Zora Neale Hurston's beloved 1937 classic, *Their Eyes Were Watching God*, is an enduring Southern love story sparkling with wit, beauty, and heartfelt wisdom. Told in the captivating voice of a woman who refuses to live in sorrow, bitterness, fear, or foolish romantic dreams, it is the story of fair-skinned, fiercely independent Janie Crawford, and her evolving selfhood through three marriages and a life marked by poverty, trials, and purpose. A true literary wonder, Hurston's masterwork remains as relevant and affecting today as when it was first published—perhaps the most widely read and highly regarded novel in the entire canon of African American literature."

## Kathy Ostrander Roberts Book Signing - January 28

Town Historian Kathleen Ostrander Roberts will be at Kennebunk Free Library on **Wednesday, January 28, 2026 at 6 p.m.** for a book signing and discussion of her newly published book *Unmarked Graves and Forgotten Lives: The Enslaved Persons of Color in Kennebunk, Kennebunkport, Arundel and Wells, Maine*.

In the book, Roberts shares her research on the individuals of Kennebunk, Kennebunkport, Wells and Arundel, Maine, who were enslaved prior to 1800. This research included deeds, written histories and local diaries as well as archaeological evidence uncovered at the site where several previously enslaved people, who were finally emancipated, came to live on the outskirts of Kennebunk between 1790 and 1831. Roberts shares probate records, church records and other primary sources which give important information about the names of many of these individuals and those who enslaved them. Images of some of the artifacts found at the site help give insight into how they lived as they transitioned from slavery to freedom. Robert's goal is to inform and

further shed light on New England's complicity in the slave trade in Colonial York County, Maine which was, at that time, part of the Massachusetts Bay Colony.

## Book-ish Activities in the Teen Room!

The teen space in the library is full of bookish activities for you to do **beginning January 1**, and it's the place to be for all things literary right now! Whether you're flying solo or hanging out with friends, you can do these activities at your own pace, so no rush, and no pressure. Here's a sneak peek at the activities we have planned for you this month:

### A Toast to the New Year

Help us ring in the New Year by adding to our bulletin! Write down something you're looking forward to this year on one of the paper pieces of toast and add it to the

whiteboard. Feel free to check out what toasts other patrons have, and your own plans might just inspire someone else!

### New Year, New Hobby

Start out the New Year by trying something new! We've compiled a variety of YA Non-Fiction books with all of the instructions and details on how to start a new hobby, whether that's an introduction to crochet or learning how to cook. With each book, we've paired a take home kit to help you get started on your hobby—these kits are yours to keep! Finally, this bundle will also have a YA fiction book related to that hobby to inspire you to keep going with it.

### Teen Calendar

Pick up a January 2026 Teen Calendar the next time you pop into the library! All of our teen events (with dates and descriptions) will be on there, as well as book recommendations, a highlighted YA author of the month, and more! Each month a new calendar will be available.

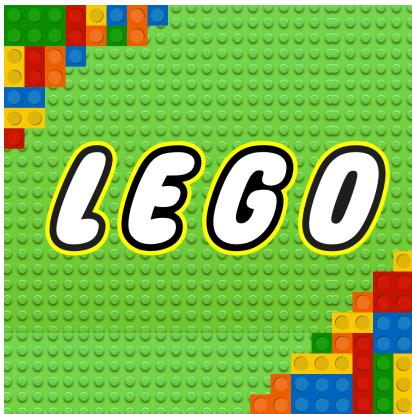

### Book Page Penguins

Add some cheer to the Teen Room this January with book page penguins! Using old book pages, construction paper, and googly eyes, create your very own unique bird to add to the windows or walls.

If you have any questions about these programs, ask Miss Emmaline or Miss Claudia downstairs in the children's room, or call (207) 985-2173. We look forward to seeing you there!

Just remember to include a title, date, and your name. Miss Emmaline and Miss Claudia are super excited to showcase your work in the Teen Room for the whole month! Feel free to create as many designs as you like, but please make sure to leave enough Legos for everyone else to have fun too. At the end of the month, there will be ribbons awarded for your designs. Your creations will then be taken apart so you can build something new in February, but we will have a binder with a gallery of your builds for others to

enjoy. If you have any questions, just reach out to Miss Emmaline or Miss Claudia in the children's room, or give us a call at (207) 985-2173. We can't wait to see what you come up with!

self-confidence, and independence. YES Art Works supports participants in their quest to become working artists and promote their work as an important contribution to the contemporary art world."

Kennebunk Free Library is excited to show the works of this talented group of local artists.

### Popular New Reads\*\*

\*\*You may have noticed that we haven't had as many recent bestsellers and high-demand items in our collection lately. There has been a bit of drama in library world in the last couple of months that affected our ability to order books. Our book supplier, one of the largest suppliers for public libraries in the U.S., had reached a deal to be acquired by another organization. When the sale fell through, they just stopped fulfilling orders without any notice to customers. Other booksellers have been busy trying to fill the void left behind. We have established an account with a new vendor and are expecting orders to start coming in again in the next couple of weeks. We have already

been getting some books in, so hopefully this will be resolved by next month! Thank you so much for your patience as we adjust to a new process.

## A Message from the Director

All of us, either as individuals or organizations, are facing significant cost increases. I thought this month I'd provide an example of how increasing costs are impacting Kennebunk Free Library. A service that many of us love and rely on is Interlibrary Loan (ILL). In 2024 the annual cost for our ILL delivery was \$5,610. Our bill for 2025 was \$6,851. This is a 22% increase. This cost includes subsidies from Minerva, our statewide consortium, and the Maine State Library. As a 501c3 nonprofit organization, this single example is a great way to emphasize how much of an impact your support provides. Thank you!

Sincerely,  
Michelle

## Staff Picks

*Change the Recipe – Because You Can't Build a Better World Without Breaking Some Eggs* by José Andrés

World Central Kitchen has been feeding people experiencing war and natural disaster since 2010 starting with the response to the earthquake in Haiti. Chef Andrés takes us from his childhood education in cooking in Spain to his time in restaurants as he learns the art of food preparation. While his story is very enjoyable it leads to his earthshaking methods of providing aid to starving people, fast, efficiently, with familiar foods and without devastating the local economy by bringing in food and other assistance from outside the effected country. His view of charity as enabling the victims to unite and solve the problem at hand is eye opening. This book is under 150 small pages and offers valuable insights with a very small investment of time.

*The Old Farmer's 2026 Almanac established in 1792* by Robert B. Thomas

Say it isn't so! This is the last print edition for Maine. If you are an old friend of the Almanac or have never seen the weather and planting forecasts, informational articles or pithy quips it is famous for, be sure to pick up this final edition of a valuable annual publication. Sigh.

(Available from KFL)

*The Hygge Game*

Looking to have conversation at a gathering that draws people together? Had enough of division and “hill to die on” monologues? How about adding some hygge (hoo-ga), the art of cozy contentment and well-

being. These cards have points of interest that anyone can relate to. "What is the nicest thing someone in this room has done for you?" "Which one of your friends would do the best on Jeopardy?" "What do you think will be the biggest change in your life five years from now?"
