

Kennebunk Free Library's Epidemic/Pandemic Patron Code of Conduct Addendum

In order to keep staff and the public safe:

- o Don't come to the library if you feel sick or have been exposed to COVID-19.
- o Face coverings or masks which cover mouth and nose are required for staff and patron safety
- o Maintain 6 feet physical distance in all areas of the library.
- o Follow library safety procedures and instructions as outlined in [Kennebunk Free Library's policies](#).
- o No food or drink, including closed containers.

Patrons are asked to limit personal items brought into the library, and avoid setting things down.

Whenever possible, please send in only one person per family. We are limited by law as to how many people we can allow in the library at one time.

Those who do not wear a face covering or mask will be limited to curbside service, subject to staff availability.

While we are following the [state reopening safety guidelines](#), patrons should be aware that there is some risk inherent in using shared spaces with shared materials. We cannot guarantee a perfectly safe space.
